

Bead Jungle is pleased to introduce classes just for kids! Schedule one today for a birthday party or field trip. We furnish the supplies and the instructor. The cost is based on which project you choose. Contact Sandy at (702) 432-2323 to pick a date and make the arrangements.

Charm Necklace-\$20.00per student-min.5 (time 2 hrs.)

This class is designed for students to learn and come away with a skill they can use for all stringing projects. You will complete a bling necklace with the use of beading wire and basic beading tools. You will have the opportunity to pick a kit with colors you enjoy and create a pattern of your own choice. Once you learn the technique, you will be able to make many other projects such as bracelets, watches, ankle bracelets, eye glass holders and many more. Your finished necklace will bring enjoyment for you or whoever you give it to. Great for making gifts for family and friends.

Knotted Charm Bracelet-\$15.00 per student-min. 5 (time 1-1 ½ hrs.)

This is an introductory class for students to see if they would enjoy working with their hands and beading. Students will learn to knot a charm and place it on a suede cord. This will be an adjustable bracelet that will give them a great sense of pride in being able to say "I made it". There are no tools used in this project and they will be able to pick a kit of their choice. After learning this project they will be able to make these at home.

Stretch Bracelet-\$10.00 per student-min. 5 (time 1-1 ½ hr.)

Choosing beads is half the fun! This class is centered around choosing glass beads from our bead tub and then designing their own creation. In this class, students will learn the importance of color and placement, a learning tool they can use for other projects. After designing their bracelet, they will string it on stretch cord and learn to tie off the knot. By the end of the class, students will have created a bracelet to wear anytime.

Linked Rings-\$20.00 per student-min. 5 (time 1-1 ½ hr.)

While in this class, students will learn how to use chain nose pliers along with learning the basics of chainmail. They will get practice opening and closing colored jump rings to link together in a simple stretch bracelet. There will be several color kits to choose from. Wouldn't it be great to make one for a friend in your schools' colors'?

Charms of Fun-\$15.00 per student-min. 5 (time 1-1 ½ hr.)

Kids are always looking for a quick, inexpensive gift for their friends and this is a great idea that will allow them to use a charm and a few beads to make a simple item that can be used as a zipper pull, key chain or cell phone charm attachment. Students will be able to choose beads from the bead tub and learn to attach charms and beaded headpins to chain, which are basic skills they can use in future wire classes.
